Facility agrees to safeguard the confidentiality of its medical records including all patient information provided by OnsiteCare, and to comply with all applicable state and federal laws governing the confidentiality and security of such records. Facility shall not use or disclose patient information provided by OnsiteCare except as permitted by law.

The parties hereby waive the claim or defense that an adequate remedy at law for such breach exists or that irreparable injury will not occur.

e. **Indemnification.** To the extent not covered by a policy of insurance covering the Indemnified Party (as defined below), each party (the “Indemnifying Party”) shall indemnify and hold harmless the other party and their respective employees, agents, representatives, successors and assigns (collectively, the “Indemnified Party”) from any and all claims, suits, actions, liabilities, damages, and costs of any kind, including reasonable attorneys’ fees, arising from or in connection with any acts or omissions of the Indemnifying Party, or any of its employees, agents, officers, directors, shareholders, managers, members or representatives.

their businesses. Therefore, at all times during the Term of this Agreement and after its termination each party will keep and hold all such Proprietary Information of the other party in strict confidence and trust and will not disclose such Proprietary Information without the prior written consent of the other party.

h. Assignment. Neither party may assign or transfer this Agreement or any part hereof without the other party’s prior written consent. There are no third party beneficiaries of or to this Agreement.

i. Governing Law; Severability. This Agreement shall be governed by and construed in accordance with the laws of the State of North Carolina without regard to or application of choice of law rules or principles. In the event that a court finds any provision of this Agreement invalid or unenforceable, the remainder of this Agreement shall remain in full force and effect.

j. Entire Agreement. This Agreement constitutes the entire Agreement between the parties and all prior agreements, negotiations or representations regarding the subject matter of this Agreement are of no force or effect unless expressly set forth herein. This Agreement may be amended at any time by mutual agreement of the parties, but such amendment shall not be valid unless it is in writing and signed by both parties.

k. Exclusive Contract. Facility desires to ensure the proper, orderly and efficient delivery of Services to its residents. Facility has determined that an exclusive arrangement is the best means by which these goals can be achieved. Accordingly, Facility agrees that during the term of this Agreement and for so long as OnsiteCare is not in breach of this Agreement, OnsiteCare shall be the exclusive provider of Services and Facility will not compensate or otherwise engage any other individual or entity to provide Services at the Facility.
